preparation

Be Accountable! Since this class is online, it will be easy to get behind. To do well in this class, you will need to complete all your work and attended the weekly class meeting.

Always attended the weekly meeting ready to participate. This is a mission's class, so participation is major portion of your grade.

responsibility

I will assign work everyday on Google Classroom for you to complete. It is up to you when you complete it. Keep in mind, ALL work is to be turned into me via google classroom by no later than noon every Friday.

We will meet every Wednesday via Google Meets at our class time. These meetings ARE REQUIRED!!! There will roughly be 18 meetings. We will be discussing different types of missions and the Book of Acts.

You will have a test every Friday. I will post the test at 8:00am on Friday mornings. You will have till 3:00pm that Friday to complete it.

Snapshot of Adv CLC III

In Advanced CLC III, students will have the opportunity to participate in several mission/outreach services of their choosing. In class, students will be learning about local, state, national, and international missions and how they can be involved in each. They will also get the opportunity to hear from local pastors, youth pastors and ministries within our own community via Google Meets. By the end of the semester, each student will have completed a survey of the book of Acts and have a better understanding of why missions is important.
