DESCRIPTION

Welcome to 6th grade **CLC**!

The goal of this class is to go “Back to the Basics” to see how God worked in people’s lives throughout the Bible. We will see how the Bible presents the Gospel of Jesus Christ throughout its pages. Then, we will see how it relates to us here and now.

Some stories we will cover include:

The Story of Creation	Joseph
Parting the Red Sea	Sampson
David and Goliath	Daniel
Jesus’ Miracles	Easter Story
Paul’s Conversion	
and others!	

GRADING

Grades will be divided into 3 different categories:

Class Participation- Students are expected to participate in class activities, discussions and prayer request/praise report time. Comments and questions should be on-topic and respectful to others in the classroom. Students are also expected to listen during class.

Folder Work-Students will be graded on the daily assignments that will be handed out each day. They will be expected to keep their folder neat and tidy at all times.

Scripture memory Verses- Students will be given 4 memory verses throughout the quarter.

These can either be learned and recited directly to Mrs. Jessi OR they may be written down 3 times and handed to her.
