Description:

Welcome to 7th grade CLC!

Together we will be learning that the Bible has every answer. We will learn how to use the Bible to find the answers to life's challenges! We will be learning how to put what God teaches us to practical use in our everyday lives. We will learn that God loves each of us enough to give us His Word to answer every question!

We will hear the Gospel Story and know that God desires us to choose Him! We will learn about Jesus and who He really was and why He desires a relationship with each one of them. The students will learn that Jesus Christ is the same yesterday, today and forever. We will learn that He IS love.
