Description:

Welcome to 8th grade CLC!

Together we will be learning what the Bible says about the challenges that we face in life. By learning how to put God in the center of our daily lives-we realize the importance of TRUTH and we will learn to recognize that TRUTH of His Word. We will see the difference between what the world tells us compared to what God tells us.

A few of the topics we will cover are:

Christ Centered vs self centered	Our Identity
Depression/Anxiety	Peace
Lies satan tells us	Standing firm

Grades:

Grades will be divided into 4 different categories:
