INSTRUCTOR POLICIES

CLC is an elective and privilege. Please treat each other and the building as kindly as possible. Please keep your area as clean as possible. If you have any questions, do not hesitate to raise your hand and ask, or send me an email. My goal as your teacher is to challenge you to think critically about how you see the world, and to love on you the way Christ loves us all. I am not afraid to tell you when I do not know something, and I do not believe there are dumb questions, so let us learn together. As a reminder: you get out of this class what you put into it. I look forward to what we learn from the Lord this semester! I love you already!
